

VIGNAN UNIVERSITY KNOWLEDGE BASE

Starter knowledge document for a University RAG Assistant

Source basis: Official Vignan University website pages accessed in September 2026. This document summarizes publicly available university information for an educational RAG project. It is not a replacement for official regulations, notifications, or policies.

1. University Identity

Official name: Vignan's Foundation for Science, Technology & Research (Deemed to be University).

Location: Vadlamudi, Guntur-522213, Andhra Pradesh, India.

General email: info@vignan.ac.in

Phone: +91-863-2344 700 / 701

Admission contact: +91-863-2344 777; 7799 427 427; toll-free 1800-425-2529.

History: The university's official About page states that its journey began in 1997 with the establishment of Vignan Engineering College at Vadlamudi.

Vision: To evolve into a centre of excellence in Science & Technology through creative and innovative teaching-learning practices, academic achievement and research excellence.

Mission: To provide high-quality academic programmes, training activities, research facilities and industry-institute interaction supporting employability, entrepreneurship, leadership and research aptitude.

2. Academic Programs

The official Programs page lists undergraduate, postgraduate, diploma and Ph.D. programs. Examples include:

Level	Programs / examples
Undergraduate	B.Tech, B.Pharm, BCA/BCA (Hons), B.Sc. (Hons.) Agriculture, BA LL.B (H), BBA, BBA LL.B (H), ITEP, B.Sc./B.
Postgraduate	MCA, M.Sc, Pharm.D., M.A. English, MBA, M.Tech, M.Pharm
Diploma	Diploma / Polytechnic Education
Research	Ph.D.

Program durations shown on the official Programs page include: B.Tech – 4 years; BCA/BCA (Hons) – 3/4 years; MCA – 2 years; M.Sc – 2 years; MBA – 2 years; M.Tech – 2 years; Diploma – 3 years; Ph.D – 3 years.

Official source: <https://vignan.ac.in/newvignan/program.php>

3. Schools and Academic Areas

The official Schools page organizes academic departments into major schools.

School	Examples of departments / areas
School of Core Engineering	Mechanical, Chemical, Civil, Textile Technology
School of Electrical, Electronics and Communication Engineering	EEE, ECE, EEE, Biomedical Engineering, Electrical & Electronics Engineering
School of Computing and Informatics	CSE, Advanced CSE, Information Technology, Computer Applications
School of Biotechnology & Pharmaceutical Sciences	Biotechnology, Pharmaceutical Sciences, Bioinformatics
School of Law & Management	Management Studies, Institute of Law
School of Agriculture & Food Technology	Agricultural Engineering, Agriculture, Food Technology
School of Applied Sciences & Humanities	Physics, Chemistry, Mathematics & Statistics, English, Social Sciences & Humanities
School of Education	Department of Education / ITEP

Official source: <https://vignan.ac.in/newvignan/department.php>

4. Regulations

The official Regulations page is the primary place to find course regulations. It currently groups regulations by regulation year and program.

R26 regulations: B.Tech, BCA, M.A. English, M.Tech, MCA and M.Sc. are listed.

R25 regulations: B.A.-LL.B (Hons.), BBA, B.B.A.-LL.B (Hons.), BCA, B.Tech, B.Tech AG, MBA, M.A. English, MCA, M.Sc., M.Tech and Ph.D. are listed.

R24 regulations: M.Pharmacy is listed.

R22 regulations: multiple Bachelor's and Master's regulations are listed, including B.Tech, BCA, BBA, B.Pharmacy, B.Sc., law programs, M.Tech, MBA, MCA, M.Sc. and others.

Important RAG rule: When answering a question about a student's academic regulation, the assistant should identify the student's program and regulation year before giving a definitive answer, because the official site contains multiple regulation versions.

5. Policies and Handbooks

The official Policies & Handbooks page lists policies covering university operations and student/faculty matters.

Policy categories:

- Maintenance Policy
- Research Policy
- Industrial Training Policy
- Financial Policy
- Resource Mobilisation Policy
- Environment & Sustainability Policy
- Gender Equity Policy
- IT Policy
- Admission Policy
- Service Rules, Policies & Procedures
- Lifelong Learning Access
- Access and Participation Plan for Women
- Non-Discrimination Against Women
- Non-Discrimination Policy for Transgender
- Protecting those Reporting Discrimination
- LMS Policy / Framework
- Cybersecurity & Data Governance Policy
- Digital Governance & E-Governance Framework
- Digital Transformation Strategy
- Reservation Policy
- E-Governance Policy

- Consultancy Policy
- Scholarships Policy
- Student Grievance Redressal Policy
- Divyangjan Policy
- Code of Conduct for Students
- Code of Conduct for Faculty

Official source: <https://vignan.ac.in/newvignan/policies.php>

6. Assessment and Examinations

The official Assessments page states that teaching-learning and assessment are intended to work together, with continuous assessment supporting the teaching-learning process. It also describes assessment as being aligned with an outcome-based education model.

The page provides assessment timetables, application information and guidelines related to obtaining different certificates. It also states that students must register their willingness to attend summative assessments by paying the stipulated fee.

Official source: https://vignan.ac.in/newvignan/exam_home.php

7. Academic Calendars

The official Academic Calendar page provides calendars for multiple categories including Diploma, B.Tech, B.Tech-AGE, BCA, BBA, B.Sc., Agriculture, Data Science, Psychology, M.Sc., M.Tech, MCA, MBA, M.A. English, B.Pharmacy, BA.LLB, BBA.LLB, M.Pharmacy and Pharm.D.

Important RAG rule: Academic dates should be answered from the relevant current calendar rather than from a general statement, because calendars are program-specific.

Official source: <https://vignan.ac.in/newvignan/calender.php>

8. Notifications

The official Notifications page groups current notices into categories such as Academics, Exams, Finance and Career. Exam notices include registration, revaluation, retotalling and supplementary-examination notifications.

Important RAG rule: Notifications are time-sensitive. A future chatbot should store the notification date and prefer the newest applicable notification when answering date-sensitive questions.

9. Example Questions for the RAG Assistant

These are useful test questions after this PDF is added to ChromaDB:

- Where is Vignan University located?
- What is the official name of Vignan University?
- What undergraduate programs are listed by the university?
- Which schools are part of Vignan University?
- What programs are listed under the School of Computing and Informatics?
- What regulation versions are available on the official Regulations page?
- Which programs have R26 regulations listed?
- Which programs have R25 regulations listed?
- What policies are available for students?
- Is there a Student Grievance Redressal Policy?
- Does the university have a Cybersecurity & Data Governance Policy?
- Where can I find academic calendars?
- Where can I find examination and assessment information?
- Where can I find current university notifications?
- What is the university's general contact email?

10. Source and Accuracy Notes

This starter knowledge base is intentionally based on official Vignan University web pages. It does not reproduce complete regulations or policy documents. For rule-specific questions, the RAG system should retrieve and cite the original official PDF or webpage whenever possible.

Recommended future knowledge-base documents: current R26/R25 program regulations, current academic calendars, official policies and handbooks, examination guidelines, scholarship policy, grievance policy, code of conduct, and selected current notifications.
